

THURNBY & BUSHBY SOCIETY 50TH ANNUAL GENERAL MEETING

22 MAY 2018

SUMMARY OF CHAIRMAN'S REPORT - Jeff Rosenthal

This is the 50th A G M of the Society, and I would like to pay tribute to those who started it in 1968.

Mike and Judith Lord are the longest serving Committee Members, having joined in 1977. They look after the Newsletter (which was started in 1977) and Planning and Environmental matters.

Since the last AGM Margaret Coleman has taken over from Beverley Van-de-Velde as Secretary, and Brian Austick has joined the Committee and taken over from me as Treasurer – they are both doing a great job! In addition, Jayne Bakewell and Surinder Dhaliwal have both joined us, and Beverley is continuing her sterling work as Website Administrator. Jayne has a professional background in Planning Law and is making a valuable input on planning issues. So we move forward with 9 Committee members out of a possible 10, our best strength for some time.

We continue with our objective of promoting and supporting the quality of life and community spirit in Thurnby and Bushby. We are still financially sound, and in a position to support relevant community projects.

I would, of course, like to thank the Committee members and other supporters for their continued work on behalf of the Society.
